WINDOW SYSTEMS

Brighten Up a Dark Basement

NATIONALLY RECOGNIZED BRAND & INDUSTRY LEADER

Sioux City Foundry is proud to be a Boman Kemp Window Systems dealer. Our clients come from various industry sectors, including residential and commercial builders, remodelers, concrete contractors, and architects.

- Meets basement egress requirements at an affordable price
- Finished window opening sizes range from 48" x 48" to 72" x 60"
- Used in new constructions or to remodel an existing basement
- Snap to install features allow for quick & easy installation

EASY-BUCK

- Pre-manufactured for easy installation
- Built-in fasteners make adding and Easy-Well a snap
- Sizes range from 48"x48" to 72"x60"
- Available in white or taupe finish

VINYL WINDOW

- Double-insulated vinyl window
- Equipped with a sliding sash, screen, and can be locked from the inside
- Sizes range from 48"x48" to 72"x60"
- Available in white or taupe finish
- Can be ordered in either Low-E or tempered glass

EASY-WELL

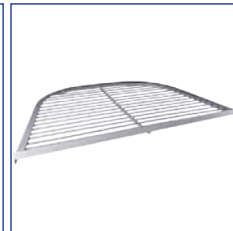

- Used to keep earth away from basement windows
- Bolts directly of the Easy-Buck or can be bolted to the wall during basement remodeling
- Available in white or NEW Natrastone finish

SAFETY LADDER

- Designed to assist people in emergency escape or egress
- Hangs on the back of the Easy-Well and is required in wells deeper than 44" per IRC2003
- Available in 46", 60" and 72" heights

SAFETY GRATE

- Made of rolled angle iron and steel safety bars
- Designed to keep people and pets out of the Easy-Well
- Holds the weight of standard foot traffic
- Available as a Buck mount or wall mount

PLASTIC COVER

- Made of polycarbonate plastic and is used with the safety grate
- Used to keep debris, animals, and excess water out of the Easy-Well
